**Calling all Young Handlers,
after a busy summer showing it is our belief here at
North East Live that you are all now ready to.....**

‘Show up your grown up’

Therefore, no specific classes for young handlers will be held at North East Live, prizes will however be on offer to the best of the next generation, those who prove they can absolutely hold their own in the show ring.

The stewards on the day will identify the young exhibitors to our judges who will then, just prior to the championship, award prizes and rosettes.

1st £100 – 2nd £50 – 3rd £30 – 4th £20

Qualifying ages on show day are

Cattle 14-21 years

Sheep 8-21 years

For those not showing....

**There will be a designated young person's area at this event
with interactive activities and demonstrations all based
around the farming industry.**

Feeding Equipment for Calves and Lambs

Our family owned business has been involved in providing milk replacer feeding systems for baby animals for over 30 years.

With our knowledge of computerised and ad-lib calf and lamb rearing systems, we are able to supply our customers with an extensive range of feeding equipment from leading manufacturers specialising in this area – Forster Technik, Urban, Britmix and Hiko.

Working with our network of local engineers and installers we are able to offer technical support and a service and repair facility along with an extensive range of spare parts and consumables.

Helping you generate higher profits & faster growth through better productivity.

Durham Business Growth will help you to achieve your productivity and growth aspirations through our dedicated team of experts who are here to help you unlock the full potential of your business with:

Productivity & Growth Support
Specialists will help develop actionable plans to improve productivity, reduce carbon emissions and generate growth.

Capital & Hybrid Grants
Available from £10k and above for costs associated with plant, machinery, equipment, premises and fit-out works.

Revenue Grants
Available between £1k and £10k for costs associated with engaging external experts, software and small items of equipment.

Decarbonisation Support
The programme will fund external technical experts to deliver energy audits and decarbonisation plans.

Eligibility

We welcome businesses of all sizes and across a diverse array of sectors who are trading in or planning to move to County Durham, including farm diversification.

Gibson
ROBOTS - DAIRY CONSUMABLES - CONSULTANCY

WHO WE ARE?
We are an independent firm supplying a range of products and services, including robot milking machines, portable milkers, and farming essentials.

Based in Crakehall, Bedale and founded by Tim Gibson in 2003, our company remains a trusted partner for farmers seeking sales, service, and expertise across the UK.

WHAT ELSE DO WE DO?

-  **GIBSON GROUNDWORKS**
We provide groundworks and excavations with modern 360° diggers on hourly and daily rates, for construction, drainage and agricultural roads.
-  **GIBSON GRAIN**
We supply bulk, bagged and blown grain for feeding and storage including wheat, barley & maize.
-  **YORESTORE**
We provide modern, heated & secure self storage units. Contact our team at info@yorestore.co.uk & we can advise you on the next steps.
-  **YOREOFFICE**
We provide fully serviced office & workshops. Our offices are heated from the farm's environmentally friendly biomass heating system and all heating, electric and WiFi is included within one monthly cost. Contact the team at admin@yoreoffice.co.uk for more info!
