Welcome

Welcome to the third annual North East Live. Everyone here at Darlington Mart is delighted and humbled by the continued support of this event. The livestock entries are again really healthy as North East Live again attracts some of the best animals from the length and breadth of the UK.

A record number of sponsors are on-board this year which is wonderful news, it keeps our unrivalled prize fund available. Please do all you can to appreciate the generous firms who sponsor shows like North East Live; wherever, whenever and however you can. The generosity of our sponsors and our trade stand holders never fails to amaze me; they are crucial to enable the show to take place, those of you who wish to exhibit in years to come are well advised to help them, it makes the showing circle complete. So please, speak to the sponsors, visit the traders, ask for information on their products and services. If the sponsors and traders do good business at North East Live then they will return, assuming they return then the generous prize fund will remain.

Thanks go to our judges, here at NEL we pride ourselves on sourcing quality, knowledge and experience when we choose the ladies and gentlemen to preside over the classes. Once again, I am delighted with this year's lineup and am very confident that they will be an outstanding group of judges.

Thanks to all our staff and volunteers for their hard work and dedication, sometimes an unenviable task but we are blessed with a tremendous team of helpers; I appreciate every one of them. Thanks also must go to the directors of DfAM who give their approval on behalf of the shareholders for us to conduct this event. An annual showcase of our industry, a great opportunity for beef and sheep farmers to gather socially and a taste of what Darlington and the North East has to offer.

I hope you all have a wonderful day at North East Live 2026, good luck to all the competitors and congratulations to the winners, whoever you may be.

Proud to Support North East Live.

At ABP, we're proud to support the rural economy in the North East. Events like North East Live not only help bring the farming community together, but allow us to build partnerships, and showcase our ability to process cattle and sheep of all weights and grades.

Tyne to Tees Lowlands

Farmer Collaboration Groups (2027-2029)

We're gathering expressions of interest from farmers who want to explore forming up to eight new groups across the region to:

- Strengthen farmer-to-farmer knowledge exchange
- Improve business resilience and productivity through marginal gains
- Develop practical solutions to shared challenges

Want to bring a group to your area?

Farmers: Scan the QR code to register your interest and help us map demand.
