The Bowl Turner herd of Pedigree British Blue Cattle is high health and these heifers have been vaccinated for Blue Tongue.

The Alderson family need no introduction in the show and sale ring having produced "Black Velvet" the Limousin cross heifer who won North East Live 2024 and many other accolades.

Lot 100- Bowl Turner UptownGirl (ET)

UK121119 600722

At just 30 months old this lovely heifer comes with some fine pedigree. Sire by the "in the moment bull" Boherard Overdose and a Dam from the Brookfield herd.

She has been flushed and then put to the Lim bull "Twemlows Officer" and PD has confirmed in calf. (AI date 21/6/26).

Lot 101- Bowl Turner URPrincess (ET)

UK121119 100724

At just over 2 years old this heifer catches the eye with her length of body and smooth movement. Again, was sired by Tanat Lotto and the dam Liley Liberty.

This heifer has been flushed recently and has not had the opportunity to go to the bull yet.

Shown at Borderway Beef Expo achieving fourth place in her class.

Lot 102- Bowl Turner Vesta (ET)

UK121119 500728

A slightly younger heifer at 18 months old but is a tidy heifer sired by Tanat Lotto and again a dam from the Brookfield herd.

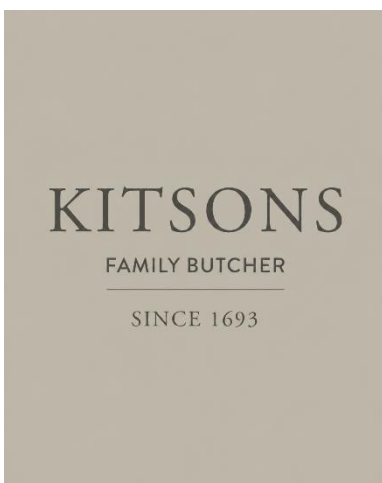

Tanat Lotto has bred champions in the commercial cattle world and the dam is a true breeding cow, where she has produced some very nice bulls.

Foreword;

These super heifers have been out at grass all Summer, coming back in on 10th September.

Once again, all heifers are BVD vaccinated and have been consigned from a TB4 farm which is high health.

The Kitson family's story as butchers dates back to 1693, representing centuries of tradition, craftsmanship and a deep-rooted passion for quality meat. Today, the family proudly continues this heritage through their latest venture, Five Houses Farm Shop in Crathorne. With extensive farming expertise and a strong connection to the land, the Kitsons are proud to own and rear their own livestock, ensuring exceptional care and complete traceability at every stage, from farm to butchery. Combining generations of traditional butchery skills with their own home-reared livestock, Five Houses Farm Shop reflects the values at the heart of the Kitson family: quality, provenance, tradition and a genuine love of farming.
